RECOVER AT WILLOW SPRINGS ... STEP UP IN QUALITY

Our program's **clinically proven orthopedic care pathways, coupled with our signature rehabilitation experience** featuring the comforts and privacy of home, is an optimal option for your post-surgical rehabilitation.

With the ultimate goal of getting you home in a safe and efficient manner, our expedited program prepares you for the final step in your transition. Depending on your medical condition and stability, the average estimated program stay is between 5-10 days.

*The Willow Springs
Orthopedic Transition Program
is endorsed by leading
NJ based orthopedic surgeons.*

“ *I can't thank the team at Willow Springs enough for getting me back on track. I unfortunately have required other rehabilitation stays in the past. This time, I chose the NEW Willow Springs and I'm sure glad I did. I was busy with my rehabilitation, and the entertainment offered to keep me occupied was enjoyable! If I ever require additional rehabilitation or care, I'll be sure to call upon the team at Willow Springs. I wouldn't be returning home without the work of this great team!* ”

Our ORTHOPEDIC TRANSITION PROGRAM was designed with you in mind.

1 STEP

PRE-SURGERY MEET OUR TEAM

Selection of your recovery plan and rehabilitation program is as important as selecting your surgeon and the best timing for your procedure. Our trained admission specialists take time to prepare you for post surgical needs through a scheduled complimentary consultation where you have the opportunity to:

- **Meet Our Benefits Specialists** who will review your coverage plan and payment options
- **Meet Our Rehabilitation Team** who will provide an overview of your anticipated treatment plan and what you can expect in your recovery
- **Meet Our Discharge Planning Specialist** who will assist you with planning your discharge from day one of your stay
- **Select & Reserve Your Private Orthopedic Suite** in our quiet and dedicated orthopedic wing

2 STEP

POST-SURGERY TRANSITION & INITIATION

Your surgical procedure has taken place. It is now the job of our trained professional team to assure a seamless and comfortable transition from the hospital while getting you started on your journey back home as quickly as possible.

Depending on the time of your hospital discharge and arrival to Willow Springs Rehabilitation Center, you can expect a same day visit from our therapy team to make an initial post surgical assessment.

Your rehabilitation plan will quickly get moving with morning and afternoon multidisciplinary therapy sessions.

ENJOY COMFORT as you rest between therapy sessions:

- A Private Suite with Comfortable Bedding, Hand Towels and Toiletries
- Wireless Accommodations with iPad
- Select Menu offering multiple options for each daily meal
- Daily Coffee Cart
- Daily Newspaper Delivery
- VIP Robe
- Daily Guest Meal Accommodations
