

The newly renovated WILLOW SPRINGS is pleased to present a whole new level of post acute care to the greater Brick community.

A leading rehabilitation provider within minutes of Ocean Medical Center and other area hospitals, we offer a specialized level of rehabilitation programming under the direction of eminent local physicians.

ENHANCING your comfort  
INFUSING your spirit  
REHABILITATING you  
to your optimum health

Willow Springs offers a variety of specialized rehabilitation care options as well as patient-centered long term care.

We invite you  
to call us or take a tour,  
and learn why our residents  
feel right at home!

Our Comprehensive  
**CARDIOPULMONARY  
PROGRAM**

# MODERN COMFORT & SPECIALIZED EXPERTISE

## Comprehensive CARDIOPULMONARY CARE

Our physician led program, under the direction of both a cardiologist and pulmonologist, is focused on helping patients achieve the most active life possible despite any cardiopulmonary diagnoses and physical limitations.

We tailor our program for individuals with heart disease and pulmonary disease, with diagnoses such as: CHF, COPD, post heart and lung transplants, emphysema, acute myocardial infarctions and acute respiratory failure.

## Our CARDIOPULMONARY PROGRAM Features:

- Team Consults by our Board Certified Cardiologists and Pulmonologists
- ACLS Certified Nurses
- 7 Days Per Week Therapy Services as prescribed
- 24/7 Access to Laboratory and Radiology Services
- Tracheostomy Care and Management
- EKGs and Echocardiograms On-Site
- Wide Range of Oxygen Therapies
- Remote Telemetry
- Cardiac Inotropic Drips
- Nebulizer Therapies
- Pacemaker Assessment and Monitoring
- ZOLL LifeVest
- Anti-Coagulation Checks On-Site
- IV Lasix and Solumedrol
- Comprehensive Cardiac and Pulmonary Education/Training for Patients and Family Members
- Case Management and Discharge Planning
- Coordination of Home Care Services including CARE NAVIGATION™ Program
- 24/7 Admissions Direct from the ER

**Our signature Rehabbing Care™ infuses every aspect of the Willow Springs environment.**

## SHORT-TERM REHAB Delivering Positive Outcomes

Our strong hospital partnerships ensure a smooth transition for those in need of post acute and surgical care. Under the guidance of our expert therapists, patients rapidly regain their mobility and achieve independence as they prepare for their return home.

- Physical, Occupational & Speech Therapies 7 Days a Week!
- Expansive State-of-the-Art Therapy Gym with the Latest Rehab Equipment
- Smart Car for Transfer Training
- Private Speech Therapy Room
- Large Transitional Therapy Suite

**OUR GOAL is to provide the medical expertise and personal support to help residents get well, be well and stay well.**
